Dear Ms. Iemmolo,

Ohio's STEM Committee met on April 27, 2018, to review school applications for STEM or STEAM designation submitted to the Ohio Department of Education. After thorough review of the application, the committee has approved STEM designation equivalent for Gesu Catholic School.

Congratulations, and thank you for your ongoing commitment to innovative education!

I encourage you, as the principal of an approved, STEM Designation Equivalent school, to familiarize yourself with the laws and rules relating to STEM school equivalent designation outlined in [chapter 3326 of the Ohio Revised Code](#).

My very best wishes to you and your students.

Sincerely,
